Highways through **DEATH VALLEY NATIONAL PARK** are open; know and use **hot weather** travel safety tips. All roads in the park are open. However, due to extreme heat and remoteness, the Park Rangers recommend travelers stay on the paved roads from June through September. Rangers ask visitors traveling to remote desert locations at higher elevations, to always leave a complete itinerary at home, obtain an up to date backcountry road map and be prepared for the unexpected. Drivers need to be sure their vehicle is in good condition and to carry an additional spare tire, extra gas, food and water. For backcountry road information, check the web site at www.nps.gov/deva ("Plan Your Visit/Things To Do/Outdoor Activities") and the Morning Report for current conditions.

WEATHER: Sunny days with dry conditions and gusty afternoon winds will persist over the Eastern Sierra and Northern Mojave through Sunday. Moist, unstable air is expected to flow into the southern Great Basin and the Mojave Desert starting early next week, producing the potential of daily afternoon thunderstorms in the Eastern Sierra through mid-week. Temperatures are expected to warm through the weekend, to above normal levels by early next week. Highs have been in the mid 40s in the mountains, upper 80s in the Owens Valley and near 110 in Death Valley, with the lows ranging from the 30s in the mountains, to the 80s in Death Valley.

CAMPGROUNDS: **INYO COUNTY** sites are open. Privately operated campgrounds and RV facilities are open throughout the area.

FISHING: The general fishing season is open in the Eastern Sierra and these waters are stocked regularly by the California Department of Fish and Game. The 2012 Eastern Sierra Fishing Guide is available throughout the region.

Celebrate summer fishing during the "**How Big Is Big**" Fishing Derby, sponsored by the communities of Walker, Coleville, Topaz and the Northern Mono Chamber of Commerce. During the entire month of July, catch the biggest fish from the West Walker River and you can win a great prize. There is no entry fee -- and the West Walker will be stocked with extra fish for the event. Just bring your fish into the Walker General Store and your catch will be weighed and recorded (prizes will be mailed at the end of the derby). For information, call 1-530-495-2911.

SATURDAY - JULY 7th: CALIFORNIA FREE FISHING DAY

If you're new to the sport of fishing and not sure if you will enjoy it, the Department of Fish and Game has a great deal for you. Fish, without having to buy a license, on a free fishing day! A great, low-cost way to give fishing a try.

BACKCOUNTRY: Backpackers should be prepared for sudden weather changes. Sunglasses, sunscreen and mosquito repellent are a must! Watch for lightning, which can occur with thunderstorms. **Be Bear Aware** when parking at trailheads; vehicles must not be left with any food or related items that will attract these animals and result in significant damage.

BEARS (and other hungry animals, including marmots) are active in the backcountry. Backpackers should be prepared to protect their food (and all other items that emit odors) from such animals at all times! Backpackers are required to use portable, bear resistant food canisters on the Cottonwood Pass, Cottonwood Lakes, Mt. Whitney, Kearsarge Pass, Bishop Pass, Treasure Lakes, Dusy Basin, Palisade, Little Lakes Valley, Duck Pass/Purple Lake and Rush Creek/Mammoth lakes trails of the National Forest and some Sequoia/Kings Canyon National Park trails. They are available to rent at many locations.

WILDERNESS PERMITS are required for overnight travel all year long. Trailhead quotas, which daily limit the number of hikers on trails, are in effect for Inyo National Forest wilderness areas. Permits may be obtained at the Eastern Sierra InterAgency Visitor Center (Lone Pine), White Mountain Ranger Station in Bishop, Mammoth Lakes Welcome Center and the Mono Basin Scenic Area Visitor Center (Lee Vining) during office hours. For information on Inyo National Forest wilderness permits, including the reservation system, please visit the web site at www.fs.usda.gov/inyo.

FIRE DANGER: RESTRICTIONS ARE IN EFFECT on the Inyo National Forest, the Bridgeport and Carson Ranger Districts of the Humboldt-Toiyabe National Forests, the BLM lands of the Bishop, Bakersfield and California Desert Districts.
